

**Alumni Music Lesson Scholarship Application**  
**2011-2012 School Year**  
**Application Deadline: November 30, 2011**

Background: In May of 2009, alumni from the band, orchestra, and choir programs at Waverly Community Schools participated in an alumni concert. One of the goals of the concert was to generate funding for music lesson scholarships for current students involved in band, orchestra, or choir at Waverly Community Schools. As a result of the efforts of these alumni, current and former music instructors at Waverly, the assistance of technical and other staff, and the support of the community this financial goal was reached.

For the 2011-2012 school year, a total of \$1,400 will be available for students. It is anticipated that awarded amounts will range from \$70 to \$150 per student. If you are a current Waverly high school student participating in band, orchestra, or choir and would like to be considered for one of these scholarships, please complete the information below.
